French Press

Hard Rock Magazine #92

Maybe a future great band of the new french metal scene ?

Rage #9

A huge personality. Killing songs. New and original atmospheres

Rocksound #113

A powerful first album(..) A nice shot

Underground Investigation #45

The "fist-in-your-face" of the month ! The kind of music that bangs your head ! Excellent !

Webzines in french

Violent Solutions (<http://www.vs-webzine.com>)

This album is a real surprise and makes Tao Menizoo one of the good french surprises of the year.

Ars Metallia (<http://www.arsmetallia.best.cd>)

A very good surprise, and maybe, who knows, the rise of a future great of the french metal scene

Beyond (<http://www.beyondwebzine.com>)

A style free of "déjà-vu" gimmicks (...) Tao Menizoo want to amaze us.

Metal France (<http://www.metalfrance.net>)

We would describe everything as there is so much good points to tell about (...) an humble band with features of the greatest

Bestial Experience

(<http://perso.wanadoo.fr/bestialexperience>)

Newsletter #5 – Mai 2004

The band plays the heavy artillery and give us a "thrash" album made to measure for all the fans of the style. Big sound, sharp and powerful riffs, Tao Menizoo strikes us with a quality product.

Other Webzines

Zware Metalen (<http://www.zwaremetalen.com>)

A very impressive album

Walls of Fire (<http://www.wallsoffire.de>)

4/5

Tao Menizoo is singular, thoughtful, original and surely not comparable to another band

Shadow of Disgust (<http://www.shadowsofdisgust.com>)

95/100

As soon as the music starts, we are blasted off ! (...) Buy it ! Now !

Vampire Magazine (<http://www.vampire-magazine.com>)

Tao Menizoo finds it not really difficult to create a unique style and sound(...)Thumbs up for now !

Power Metal (<http://www.powermetal.de>)

The band offers a modern sound, linked to traditions but improving it in an impressive manner (...) If Tao Menizoo keeps on going on that way, it will soon become a cult-band

Lords of Metal (<http://www.lordsofmetal.nl>)

68/100

Tao Menizoo is one of these bands that go beyond the traditional limits of the metal

Obliveon (<http://www.obliveon.menschkunst.info>)

8/10

After the firstlistening, you feel like the young boy after his first sex experience...Surprised, dazed, uncertain, and immediately enthusiast

Concrete Web (<http://concreteweb.be>)

90/100

A very nice hybrid of raging but melodic Metal(...)A very nice band, and as I'm already eagerly expecting their follow-up, well deserving the rating they're getting here !

Metal Glory (<http://www.metalglory.de>)

9/10

You must listen to that band ! The quality is here, for sure.

Metal Fan (<http://www.metalfan.nl>)

75/100

Here is a good album (...) A fresh and interesting musical approach, and some very strong titles

M2G (<http://www.mtwog.com>)

4/5

great album(...)Is this metal or what? Yes, it is blasting, powerful METAL!!!

Hell Spawn (<http://members.lycos.nl/hellspawnmag>)

80/100

Solid groove and sharp riffs(...) All well performed

Pull the Chain (<http://www.pullthechain.be>)

it never sounds monotonous or foreseeable at all(...)Ragged and harsh as it must sounds like

Possessed (<http://www.possessed.de>)

Respect for this performance, and respect for this autoproducton
